

High in Plain Sight: Current Drug Trends Training

Register by 8/31/2026

Training Description

This free workshop is for educators, prevention providers, coalition members, law enforcement, probation officers, school administrators, counselors, and community members. Officer Galloway tailors this session to each community that he teaches in, and constantly updates this training to keep up with the current trends. This allows the community to know what is going on locally, in their own retail stores. Come learn about current drug trends, concealment methods, paraphernalia, technology, youth party tendencies, social media, and more.
